Transplant Hepatology ⁽⁷⁾	3	*	42	100%	8	*	70	100%	4	*

⁽²⁾ Because the performance of small numbers of examinees can have a significant effect on results, pass rates for examinations with less than 200 takers should be interpreted cautiously. Pass rates for examinations with less than 10 takers are not reported (indicated with "--").

⁽³⁾ Examinations that are not administered in a specific year are indicated with "--".

⁽⁴⁾ For information on exam administration history, please visit our website at: <https://www.abim.org/about/exam-information/exam-administration-history.aspx>

⁽⁵⁾ Includes ABIM, qualifying, and/or co-sponsoring board(s) diplomates.

⁽⁶⁾ Includes ABIM and co-sponsoring board(s) diplomates.

⁽⁷⁾ Includes only ABIM diplomates.

⁽⁸⁾ In light of the impact the COVID-19 pandemic had on physicians, in 2020, ABIM extended the deadline for MOC requirements to 2021 for physicians who were certified at the time and had a requirement due in 2020. Similarly, in 2021, ABIM extended the deadline for MOC requirements to 2022 for physicians who were certified at the time and had a requirement due in 2021. The number of examinees and pass rates for 2020, 2021, and 2022 may not be perfectly comparable to prior years as a result.

**ABIM Maintenance of Certification Longitudinal Assessment ⁽⁹⁾
and Collaborative Maintenance Pathway ⁽¹⁰⁾ Enrollment 2019-2023**

Key: # - Number of Physicians
